**CHR is looking for a few good homes!**

Interested in becoming a foster caregiver or adopting an available Curly Horse? Know someone who is? Let us know. We can provide you with a foster care or adoption application. We also need people who are willing to be on standby for when a need arises. If you have some extra room at your place and a lot of love in your heart, volunteering to be a foster caregiver might be for you. Contact us through the website at [www.curlyserescue.com](http://www.curlyserescue.com) for more information on how you can become a foster or adoptive home.

**Curly Horse Rescue would like to thank everyone who supported us by giving donations and gifts, fostering a horse, adopting a horse, or helping with a rescue.**

## **Owner Assistance**

<http://www.curlyrescue.com/assistance.shtml>

\*Owner assistance is a service provided by CHR in order to help owners who need to sell their horses quickly, and have reduced their prices to below a set price determined by CHR. In order to qualify for a listing on the website and newsletter, horses must be priced below what a “kill buyer” would pay at auction. At this time, CHR would be happy to provide an “assistance” listing for curly horses who are priced at or below \$1,000.00. Please provide clear photos, an accurate description of each horse listed, along with contact information, and we will post your listing for you on the “Owner Assistance” page of our website.
